

Meetings Organized by Ken Meyer

- April 1976** *Midwest Dynamical Systems Seminar*, University of Cincinnati.
- May, 1981** *Midwest Dynamical Systems Seminar*, University of Cincinnati.
- April 1985** *Midwest Dynamical Systems Seminar*, University of Cincinnati, (with Dieter Schmidt).
- April 1987** *Midwest Dynamical Systems Seminar*, University of Cincinnati, (with Dieter Schmidt).
- June, 1987** *Hamiltonian Dynamical Systems*, AMS Summer Conference, Boulder, (with Don Saari), Funded by NSF and AMS.
- September, 1987** *Fractal Geometry*, CBMS Regional Conference, University of Cincinnati, (with C. W. Groetsch). Funded by NSF.
- April, 1988** *Computer Aided Proofs in Analysis*, University of Cincinnati, (with D. S. Schmidt). Funded by IMA and NSF.
- June, 1989** *The Geometry of Hamiltonian Systems*, MSRI Berkeley, (with Devaney, Flaschka and Ratiu). Funded by MSRI and DOE.
- March, 1990** *Workshop on Twist Maps and their Applications*, Institute for Mathematics and its Applications, University of Minnesota, (with Richard McGehee). Funded by IMA.
- March, 1990** *Midwest Dynamical Systems Seminar*, University of Minnesota, (with Richard McGehee). Funded by IMA and NSF.
- April, 1990** *Workshop on Using Algebraic Processors in Dynamical Systems*, Institute for Mathematics and its Applications, University of Minnesota, (with Peter Olver). Funded by IMA.
- October 1990** *Midwest Dynamical Systems Seminar*, University of Cincinnati, (with Steve Pelikan and Chris McCord). Funded by NSF and the Taft Foundation.
- March 1992** *International Conference on Hamiltonian Dynamical Systems*, (with Scott Dumas, Pat McSwiggen and Dieter Schmidt). Funded by NSF, IMA and the Taft Foundation.
- July 1994** *Analysis and Applications of Hamiltonian Systems*, (with John Maddocks), SIAM Minisymposium, San Diego.
- May 1995** SIAM Minisymposium on Applied Hamiltonian Dynamics, Snowbird, Utah.
- June 1995** AMS Summer Research Conference on Hamiltonian Systems, (with Don Saari and Jeff Xia – chairmen), University of Washington.

- Oct. 1995** *Midwest Dynamical Systems Seminar*, University of Cincinnati, (with Chris McCord, Dieter Schmidt, and Pat McSwiggen). Funded by NSF and the Taft Foundation.
- March 1998** *Global Analysis: Thirty Years Later*, University of Cincinnati, (with Chris McCord, Dieter Schmidt, and Pat McSwiggen). Funded by NSF, IMA and the Taft Foundation.
- Sept. 2000** *Midwest Dynamical Systems Seminar*, University of Cincinnati, (with Chris McCord, Pat McSwiggen and Dieter Schmidt), Funded by NSF and Taft Foundation.
- Oct. 2001** *All Ohio Dynamical Systems Conference*, University of Cincinnati, (with Chris McCord and Pat McSwiggen), Funded by Taft Foundation.
- 2001-2002** *Geometric Mechanics and Symmetry*, Warwick University, (with Mark Roberts et al.), Funded by EPSRC and NSF.
- Oct. 2002** *Midwest Dynamical Systems Seminar*, University of Cincinnati, (with Chris McCord and Pat McSwiggen), Funded by NSF and Taft Foundation.
- July 2003** *Conference on Computability and Complexity in Analysis*, University of Cincinnati, (with Ning Zhong et al), Funded by NSF, OBR, IMA, and Taft Foundation.
- Oct. 2004** *Midwest Dynamical Systems Seminar*, University of Cincinnati, (with Chris McCord, Pat McSwiggen and Dieter Schmidt), Funded by NSF and Taft Foundation.
